MIPAC'S MID-YEAR ACCOMPLISHMENT REPORT

Mandaue City's Business One Stop Shop
January 2- 24, 2020 | Mandaue City Sports Complex

The Mandaue Investment Promotions Action Center (MIPAC) took part of the annual Business One-Stop-Shop (BOSS) of Mandaue City headed by the Business Permits and Licensing Office (BPLO) that was conducted from January 2 to 24, 2020.

One of the mandates of MIPAC is to assist businesses and ensure the ease of doing business in the City. With the annual Business One-Stop- Shop, our office was able to accommodate and assist thousands of business processors in the City of Mandaue.

Through the efforts of the Business Permits and Licensing Office (BPLO), Mandaue City was able to shorten the processes from 16 steps last year down to 3 steps. By the end of January, BPLO was able to issue 7, 512 final business permits which translates to 1000% increase compared to last year.

February 11, 2020 | Executive Lounge, Oakridge Business Park

Last February 11, 2020, the Mandaue Chamber of Commerce and Industry (MCCI) organized the Investment Forum in partnership with the City Government of Mandaue through the Mandaue Investment Promotions Action Center (MIPAC).

The Investment Forum is a learning session where the City Government of Mandaue and the business community discusses global trends on planning smart, sustainable cities, and investment competitiveness.

In this forum, Mandaue City Mayor Jonas C. Cortes discussed the City’s economic growth and changes particularly relating to the City’s Land Use Plan (CLUP) where the 5 Planned Unit of Developments (PUDs) were identified with the following themes:

- PUD 1: Civic and Trade Center Development;
- PUD 2: Light Industrial Park Development;
- PUD 3: Residential – Commercial Mixed- Use Development;
- PUD 4: Recreation and Tourism Development; and
- PUD 5: Medium Industrial Park Development.

Mayor Jonas C. Cortes also called for everyone’s participation and asked to enjoin current and future locators in the identified PUDs to align with the City’s plans. Aside from this, this year’s Investment Forum were graced by the following speakers:

- Mr. David Leechiu who discussed the Investment Trends, Updates, and Challenge;
- Arch. Paulo Alcazaren who gave a talk on Urban Development and Smart Cities; and
- Mr. Andrew Acquah Harrison who shared about Mactan-Cebu International Airport’s Terminal Extension Plans.

DTI Satellite Registration

March 2-3, 2020 | Mandaue City’s New Public Market—Activity Center

The Local Government of Mandaue through the Mandaue Investment Promotions Action Center (MIPAC) and the Business Permits and Licensing Office (BPLO), in partnership with the Department of Trade and Industry (DTI), facilitates the orientation and registration of micro and small businesses at the Mandaue City Public Market Activity Center.

The DTI-Satellite Registration ran from March 2 to 3, 2020. A total of 62 new DTI registrants for the two days on site registration in Mandaue City Market.

A number of vendors from the Mandaue City Public Market attended the orientation done by DTI.

On January 30, 2020, the Philippine National Government announced the first confirmed case for COVID-19 in the country and the number kept rising each day. As a mitigating measure, the Cebu Provincial Government suspended air and sea passenger travels on March 17. Following this, on March 25, Governor Garcia announced that the entire province of Cebu will be placed Enhanced Community Quarantine (ECQ). As a response, Mayor Jonas Cortes issued Executive Order No. 67 Series of 2020 which placed the City of Mandaue under an ECQ status.

Issuance of Vehicle-Border Passes

April- May 2020

During the course of the Enhanced Community Quarantine in Mandaue City, the Mandaue Investment Promotions Action Center (MIPAC) assessed and facilitated all applications for vehicle passes and was able to issue a total of 303 vehicle passes.

The issuance of vehicle passes undergoes a thorough assessment which is based on the allowed essential people to enter the Mandaue City borders as determined by Executive Order No. 67-B.

Mandaue Bayanihan Caravan

April 9 – June 2, 2020

The Mandaue Bayanihan Caravan (MBC) is a rolling store concept in partnership with the Mandaue City Government through the Mandaue Investment Promotions Action Center (MIPAC) and the Mandaue Chamber of Commerce and Industry (MCCI).

MBC was conceptualized and implemented to bring basic goods and necessities closer to the twenty-seven (27) barangays of Mandaue City during the Enhanced Community Quarantine.

The Mandaue Bayanihan Caravan was implemented following the standard protocols to ensure safety and harmony among consumers and sellers.

PNB Bank on Wheels

June 1-3, 2020

The Philippine National Bank's (PNB) Bank on Wheels partnered with Mandaue City to help give Mandauehanons access to an ATM during the community quarantine.

PNB's Bank on Wheels was enforced with a roving ATM that will allow all ATM cardholders to do the following transactions: (1) cash withdrawal, (2) balance inquiry, (3) bills payment, and (4) fund transfer to other banks.

It was able to cater to the four barangays in Mandaue City namely Barangay Tingub, Casuntingan, Cubacub, and Tawason.

A woman was transacting through the PNB - Bank on Wheels.

Online Consultation with the Business Sector June 10, 2020

The Mandaue Investment and Promotions Actions Center (MIPAC) organized an online consultation between the City's Business Sector and Mandaue City Government to ensure the continued mutual support amidst the Covid-19 pandemic.

MIPAC and the Local Government of Mandaue City, headed by Mayor Jonas Cortes, conducted an online consultation with the business sector, represented by the Mandaue Chamber of Commerce and Industry (MCCI). It aimed to know the status and the challenges faced by the business sector in this time of crisis.

The City Government sees this as an opportunity to be able to grasp the actual situation of our economy through the pulse of our local business community and to address their concerns. Among the topics discussed are the following:

- o The results of the survey conducted by MCCI in relation to the Department of Labor and Employment's (DOLE) COVID-19 Adjustment Measures Program (CAMP) as presented by Mr. Steven Yu,
- o MCCI's President; Concerns in relation to the availability of public transport in the City of Mandaue;
- o Special Permit to Operate; and
- o Post COVID-19 Recovery Plan.
